

SmartHOME

COMPLETE HOME CONTROL

RIGHT FROM YOUR PHONE

 Digicel+

The SmartHOME system that keeps you in touch and in control.

Stay protected and in the know

Watch live video streaming and get instant alerts when doors or windows are opened - no matter where you are.

Your home in your hands

Quick and convenient access and control to your SmartHOME system from virtually anywhere.

24/7 professional monitoring

We'll monitor your home for alarms, smoke or water leaks to notify you and the emergency services as needed.

Home control from anywhere

The SmartHOME mobile app gives quick and convenient access to your whole system, so you can have complete control from virtually anywhere. The app turns your smartphone or tablet into a home control centre in the palm of your hand.

Peace of mind

Make sure the kids got home on time, check in on contractors, or see how your pets are behaving, all through live streaming video or with in-app alerts.

Come home to comfort

Prepare your home for your arrival by automatically disarming and turning on the lights.

Safe at home and away

Digicel SmartHOME provides complete peace of mind. Whenever a security event occurs, such as an opened door, an alarm is triggered and we contact you right away so that you can make the appropriate response.

Customise Your Package With Additional Devices

Controls

Remote Key Fob

Assign each fob a user to see who armed + disarmed your system. Works up to 100 feet from the gateway. Give temporary access to neighbours, contractors, babysitters, etc. Set your 4th button as a panic button to trigger your alarm and alert the monitoring centre without sounding your alarm.

\$149

Automation

Smart Home Power Switch

Use our automation engine to turn lamps on when it is dark out & you aren't home. Manually control the outlet through the app so you can turn it on & off on-demand. Works in any standard power outlet.

\$319

Cameras

Indoor Motion Sensor with Wide Angle Camera

Capture motion and images with this multi-purpose sensor. Takes three photos when motion is detected while system is armed. Built-in flash allows you to see in low-light conditions.

\$829

Indoor/Outdoor Camera

Wi-Fi connected. Full-colour, low-light vision. Two-way voice enabled. IP65-rated weatherproof housing. Person detection & activity zones.

\$319

Wi-Fi that follows you

Say "Hi" to smart Wi-Fi and enjoy a seamless Wi-Fi as you move around your home.

\$40/mth

Sensors

Water Leak Sensor with sensing cable

Receive an alert on your phone as soon as water is detected. 85-decibel siren. Use the included optional cable to increase your detection radius. Sounds loudly when water is detected so you don't miss the alert if you aren't by your phone.

\$449

Indoor Motion Sensor (No Camera)

110° field of view and 35 feet of detection range. Two sensitivity levels allow you control detection and use the setting that best meet your needs.

\$299

Mini Door/Window Sensor

Set up your system so you receive mobile alerts any time a door is opened & closed. Name each device so you know exactly which door was opened. Use door openings & closings as triggers for smart home automations. View your open & close history right on your timeline within our app.

\$165
